GET THE EDGE

At Delhi World Public School, Orai, we believe education is about giving children the edge to think, explore, and lead. With a balanced blend of academics, values, creativity, and global exposure, we nurture confident learners prepared for the challenges of tomorrow, rooted in tradition, driven by innovation, and inspired to excel.

MESSAGE *from* MENTOR DELHI WORLD FOUNDATION

HON'BLE SHRI SALMAN KHURSHID

(FORMER MINISTER OF EXTERNAL AFFAIRS OF INDIA)

As a mentor of the Delhi World Foundation, it brings me immense joy and pride to witness the remarkable strides our schools have made in nurturing young minds. Our foundation was established with the vision of providing holistic education that empowers students to thrive academically while fostering their emotional, creative, and social growth.

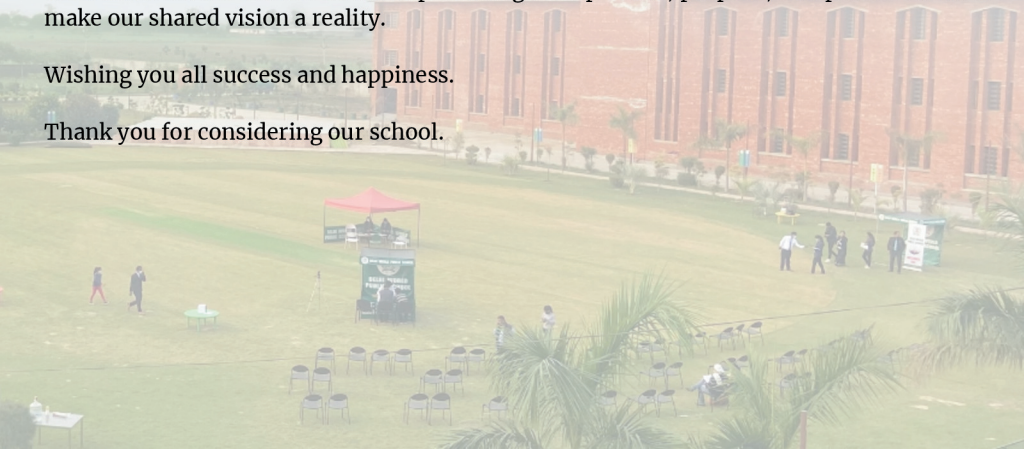

In today's dynamic world, education is not merely about acquiring knowledge but about developing critical thinking, empathy, and adaptability. At Delhi World Foundation schools, we aim to build a learning environment that is inclusive, innovative, and rooted in strong values. This mission is reflected in our dedicated faculty, state-of-the-art facilities, and vibrant co-curricular programs.

I urge our students to embrace learning with curiosity and resilience. Parents, your unwavering support continues to inspire us to do better every day. To my fellow educators, let us strive to nurture each child's unique potential, shaping them into confident and compassionate leaders of tomorrow.

Together, we are building a community of lifelong learners who will undoubtedly make their mark on the world. Let us keep working with passion, purpose, and perseverance to make our shared vision a reality.

Wishing you all success and happiness.

Thank you for considering our school.

MESSAGE

from

**MENTOR
DWPS, ORAI**

I stand before Delhi World Public School, Orai not just as a mentor or a retired IAS officer, but as someone who has lived the journey from extreme hardship to public service. I come from a very small place, and much of my childhood was spent in deep poverty. Those years of struggle shaped my belief that education is the single most powerful force capable of transforming lives.

For someone who has sacrificed much to reach where he stands today, education was not a choice, it was the key. It opened doors, built confidence, and gave direction. That belief became the foundation of Delhi World Public School, Orai.

The inception of this institution was driven by a clear thought: students from Orai and nearby regions should never feel compelled to leave their roots in search of quality education in big cities. From the very beginning, my vision was to uplift children at the grassroots level by providing them with world-class infrastructure, highly qualified teachers, advanced computer and robotics education, well-equipped laboratories, and a learning environment that nurtures curiosity and excellence.

The results of the past three CBSE examinations speak for themselves. Our students have shone not only at the board level but have also secured places in prestigious institutions, including the IITs.

My sole aim is that when our students step into the finest institutions of this country, they carry with pride the identity of being alumni of Delhi World Public School, Orai. Through my years in government service, I have seen closely how strong educational foundations shape nations, and this school is my contribution to that future.

Mr. Sarvil Singh

THE MANAGING DIRECTOR

At Delhi World Public School, Orai, our vision extends beyond academic excellence. We believe that education is not confined to textbooks or examinations, but is deeply rooted in experiences that shape character, confidence, and capability. While academic achievement and grades hold undeniable importance, true education lies in the holistic development of a child.

“Experiences beyond classrooms shape confident minds and responsible futures.”

Drawing from my own schooling experiences, I strongly believe that exposure, environment, and encouragement play a vital role in building well-rounded individuals. At DWPS, Orai, we strive to provide our students with the best possible facilities, dedicated educators, and a nurturing atmosphere that supports academics, sports, co-curricular pursuits, and personal growth, comparable to the standards of leading metropolitan schools.

Our aim is to ensure that no student ever feels deprived of opportunities. We focus on creating an ecosystem where children are encouraged to explore their interests, develop leadership skills, and grow into responsible and confident individuals. Education, for us, is preparation not just for examinations, but for life.

Schooling can be compared to the growth of a bamboo tree, which spends its initial years strengthening its roots before growing tall and strong. Similarly, the school years are meant to lay strong foundations, academically, emotionally, socially, and morally. With the right guidance and support from all directions, these roots enable children to thrive in the world beyond school.

At Delhi World Public School, Orai, we remain committed to nurturing these foundations with care and purpose, so that our students step into the future with confidence and proudly identify themselves as products of our institution.

Sarvil

THE PRINCIPAL

In a rapidly changing world, education must combine vision with execution. At Delhi World Public School, we are committed to providing a future-ready learning ecosystem that is deeply student-centric and firmly rooted in pragmatic pedagogy.

In the entire Orai-Jalaun region, such expansive infrastructure integrated with cutting-edge technology and progressive teaching practices is rare. We consciously strive to bring these world-class facilities to this zone, ensuring our learners receive opportunities comparable to the best educational institutions.

Supported by tenacious, skilled educators, learning at DWPS extends beyond classrooms—fostering critical thinking, innovation, and character. Our consistent record of producing district toppers time and again stands as a testimony to our academic rigor, disciplined approach, and unwavering commitment to excellence.

DWPS continues to set benchmarks in quality education, proving its place among the best in the field, while nurturing responsible, confident, and future-ready citizens.

Mr. Sumesh Chandra Mishra

True

WHY DWPS ORAI?

Because we blend strong academics with values, innovation, sports, and holistic development—nurturing confident learners ready for the future.

A Legacy of Academic Excellence and Discipline

Delhi World Public School, Orai has consistently set benchmarks of academic excellence by producing consecutive district toppers for the last three years. More than 50% of our students secure above 90% results, reflecting the school's strong academic framework, disciplined learning culture, and dedicated mentoring. Our students have also earned selections in prestigious institutions including IITs and other leading professional colleges, while maintaining exemplary discipline, values, and conduct.

Beyond Classrooms: Experiential Learning & Innovation

Beyond academics, DWPS Orai offers an enriching ecosystem of extensive ECA and CCA activities designed to nurture creativity, leadership, and innovation. A major highlight is the AeroBay, an advanced learning facility where students explore aerospace concepts through drone making, practical circuitry, basic chip understanding, and 3D printing of molecular models, encouraging hands-on, experiential learning.

World-Class Infrastructure in a Green, Future-Ready Campus

The school houses state-of-the-art laboratories for Biology, Chemistry, Physics, Computer Science, and Robotics, along with a dedicated seminar hall that supports academic interactions, workshops, and intellectual development. Spread across a lush 13-acre green campus, the school provides a pollution-free and health-enriching environment conducive to focused learning.

Champions in Sports and Celebrations of Culture

DWPS Orai has also achieved remarkable success in sports, with students excelling at district, state, and national levels, proudly representing Orion UP. Cultural platforms such as Annual Functions celebrate diversity and talent, while distinguished chief guests bring valuable exposure and inspiration.

**“More than a school —
a place where
discipline,
leadership,
and pride walk
hand in hand.”**

Beyond Classrooms: Experiential Learning & Innovation

The institution is academically mentored by an experienced former IAS officer, ensuring strong governance and thoughtful decision-making. Under the leadership of a progressive Managing Director aligned with Gen Z and Gen Alpha aspirations, the school delivers a 360-degree education. Initiatives like the Sankalp Program (Grades I-XII) strengthen English proficiency, communication skills, and confidence, making DWPS Orai a true centre of holistic excellence.

Diverse Faculty, Unified Vision of Excellence

At Delhi World Public School, Orai, our greatest strength lies in our highly qualified and diverse teaching faculty, drawn from different states across India. This rich blend of educators brings varied academic backgrounds, cultural perspectives, and teaching methodologies into the classroom, creating a truly inclusive and enriching learning environment. Such diversity enables students to experience unity in diversity, broadening their outlook while fostering respect for different cultures, languages, and ideas.

Our teachers are trained to deliver education that balances academic rigor, values, innovation, and global awareness, ensuring that learning goes beyond textbooks. Through their collective experience and collaborative approach, the faculty nurtures curiosity, critical thinking, discipline, and creativity, preparing students to thrive in a multicultural and interconnected world.

AEROBAY ROBOTICS LAB

AeroBay Lab at Delhi World Public School stands as a centre of innovation, exploration, and future-ready learning. This advanced robotics and aviation lab is specially designed to introduce students to the fascinating world of aircraft systems, unmanned aerial vehicles (UAVs), drones, and robotics. Through hands-on experiments, model building, coding, and real-time simulations, students develop critical thinking, creativity, and problem-solving skills while gaining practical exposure to emerging technologies.

The AeroBay Lab encourages experiential learning beyond textbooks, enabling students to understand complex scientific and engineering concepts in an engaging and age-appropriate manner. Under expert guidance, learners are motivated to innovate, design, and test their own robotic and aerial models, fostering confidence and teamwork.

Delhi World Public School takes immense pride in the remarkable achievements of its students in the field of robotics. Our students have successfully represented the school in various inter-school, inter-city, and national-level robotics competitions, earning numerous certificates and recognitions. These accomplishments reflect our commitment to excellence, innovation, and holistic education. Through the AeroBay Lab, Delhi World Public School continues to empower young minds with skills that prepare them for the challenges and opportunities of tomorrow's technologically driven world.

The AeroBay Lab also nurtures innovation, teamwork, and leadership among students by promoting hands-on learning and creative problem-solving. Through guided projects, workshops, and competitive exposure, learners develop confidence and adaptability while staying aligned with global technological advancements. The lab serves as a platform where curiosity transforms into capability and ideas take flight.

Art · Honor · Talent

KALABDHI is the vibrant art fest of Delhi World Public School, celebrating creativity, colors, and imagination. Students showcase their talents through art, craft, music, and performances, turning the campus into a lively hub of expression and culture.

Animal Planet offers students and parents a unique live experience with animals such as birds, horses, camels, and rabbits. This interactive event helps children learn about animals closely, fostering curiosity, compassion, and real-world understanding beyond textbooks. 🐾 ✨

Maharishi Ved Vyas Samman Samaroh is a proud initiative of Delhi World Public School, Orai, to honor the most valuable personalities of Jalaun, Orai and Kalpi. This prestigious ceremony recognizes individuals for their remarkable contributions and selfless social service to society.

Talent Fiesta is an open-stage celebration where people of Orai come together to showcase their hidden talents. From singing and dancing to poetry and performances, the event promotes confidence, creativity, and community bonding.

ECA

The Extra-Curricular Activities (ECA) Club at Delhi World Public School, Orai, serves as a dynamic platform where students transition from learners to leaders by exploring their hidden potential far beyond the traditional classroom setting. Designed as the heartbeat of the school's culture, the club offers a vibrant ecosystem where every child can find their unique voice, whether through the expressive rhythm of a dance performance, the sharp logic of a debate, or the intense discipline found on the sports field. By integrating a diverse array of pursuits—from the endurance-building laps in the swimming pool and the strategic, quiet focus of chess and carrom to the high-energy teamwork required in cricket, volleyball, and basketball—the club ensures that students develop essential life skills like leadership, empathy, and resilience that are just as vital as academic grades. From the high-energy rehearsals for the Annual Day to the spirited rivalry of inter-house competitions, the ECA Club transforms the campus into a hub of constant creativity and physical grit, providing a necessary "mental reset" from the rigors of the curriculum. Ultimately, the club is dedicated to shaping well-rounded individuals who are not only academically sound but also physically agile and mentally sharp, ready to take on the world with a confident and multifaceted perspective.

CCA

The Co-Curricular Activities (CCA) at Delhi World Public School, Orai, serve as an essential bridge between academic theory and creative application, ensuring that education is a vibrant, hands-on journey of self-discovery. By seamlessly integrating the performing and visual arts—including dance, drama, music, and painting—with intellectual pursuits like Science Exhibitions, Math Olympiads, and Spelling Bees, the program allows students to sharpen their confidence and critical thinking in equal measure. Through the rhythmic expression of dance, the storytelling power of drama, and the focused creativity found in painting and fine arts, students develop a sophisticated sense of poise and aesthetic appreciation that perfectly complements their classroom learning. Whether they are engaging in high-stakes debates and declamations or showcasing their innovation in literary fests and craft workshops, the CCA program ensures that students at DWPS Orai are not just scholars, but versatile individuals equipped with the creativity and intellectual depth to excel in any field they choose.

DWPS THE CODE OF SUCCESS

Adhya Shakti Chauhan has made the school immensely proud by winning multiple gold medals at both district and national levels. Her consistent performance and determination stand as an inspiration for young achievers.

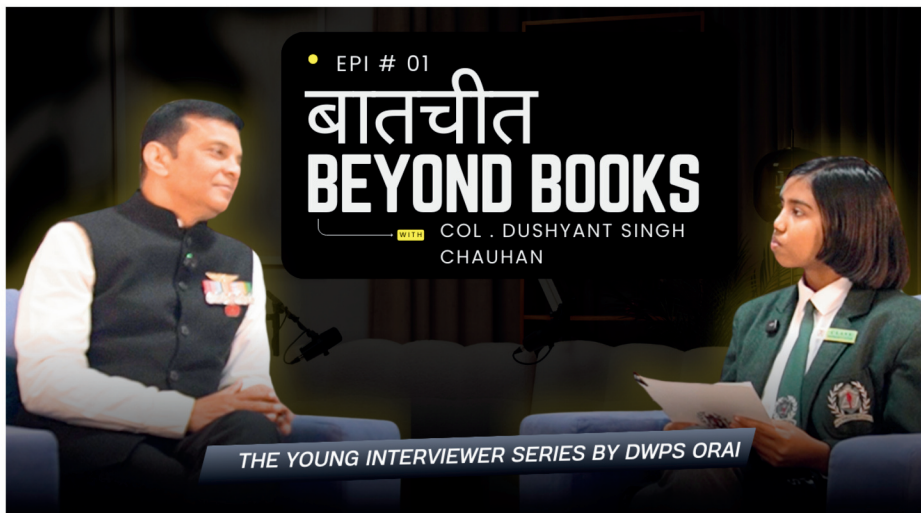

Shreem, a student of Grade 9, showcased exceptional discipline and strength by emerging as a champion in Karate at the prestigious Ayodhya Cup. His achievement reflects dedication, perseverance, and the spirit of excellence encouraged at our school.

Sarthak Baudh secured a prestigious ₹5 lakh scholarship through his outstanding performance in an aeronautics/aerobics competition, guided by our expert faculty. His success highlights the role of our school's Aerobay Lab in nurturing talent through hands-on learning and innovation.

बातचीत Beyond Books – The Young Interviewer Series

Baatcheet Beyond Books is a thoughtfully curated podcast series by DWPS Orai that empowers students to become confident young interviewers. In this unique initiative, students interact with politicians, doctors, educators, and other renowned personalities, engaging in insightful conversations that go far beyond classroom learning. By asking questions, listening actively, and leading discussions, students gain real-world exposure and develop strong communication and interpersonal skills. The series helps build confidence, enhances public speaking abilities, sharpens critical thinking, and nurtures curiosity about society, professions, and current affairs. Baatchheet Beyond Books encourages students to express their ideas clearly, think independently, and emerge as articulate, aware, and fearless communicators prepared for the future.

Sankalp – Building Confident Communicators

Sankalp is a flagship initiative of our school designed to strengthen students' spoken English and overall communication skills. Through structured practice, interactive sessions, and vocabulary-building activities, students learn to express themselves fluently and confidently. The program empowers learners to communicate effectively, laying a strong foundation for academic success and future leadership.

The campus of Delhi World Public School, Orai was filled with excitement and pride as we celebrated the Graduation Ceremony for our Junior Wing. Dressed in their adorable graduation uniforms, our young achievers walked the stage with confidence to receive their certificates, marking a significant milestone in their educational journey. The event was a heartwarming reminder of how every small step leads to big achievements.

The ceremony commenced with a warm welcome by the school principal, who applauded the students for their hard work, curiosity, and growth throughout the year. It was a moment of pride for parents and teachers alike as the young graduates showcased their talents through cultural performances and heartfelt speeches, leaving everyone in awe of their confidence and creativity.

The Graduation Ceremony was not just a celebration of academic success but also a tribute to the perseverance, guidance, and love that have shaped these young learners. It was a day filled with joy, laughter, and the promise of a bright future, making it a cherished memory for everyone present. Delhi World Public School, Orai is proud to be a part of their journey and looks forward to seeing them soar to greater heights

Ms. Vandana Singh
HEADMISTRESS

It gives me immense pleasure to welcome you all to this new academic session 2026-27 of Delhi world Public School, Orai. As the Headmistress of Delhi World public School, Orai, I offer you my cordial greetings. As I stepped into the premises, I learnt that the students of Orai are good not only academically but also in sports, leadership and co-curricular activities. I highly appreciate the efforts of the school in providing all-round education to the students.

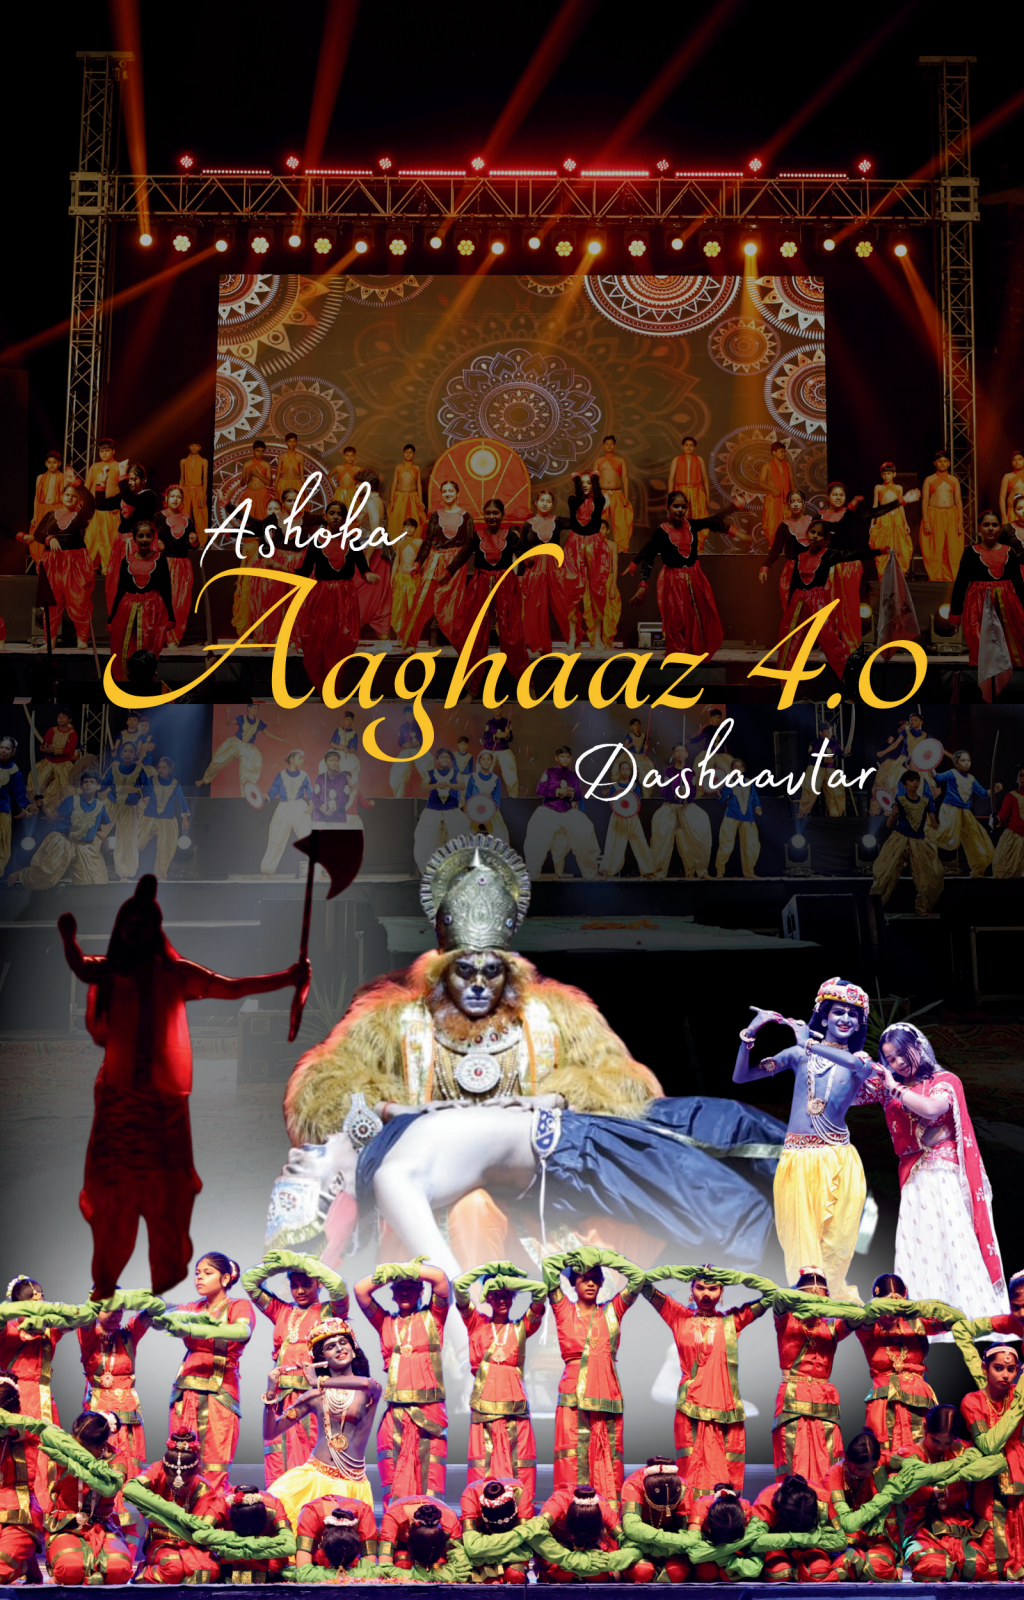

Apart from striving for academic excellence, the school also nurtures students with a healthy attitude and sound moral values. The school offers umpteen opportunities to the students to grow in all their faculties. I am happy that our students have reached great heights of glory in various sectors.

At DWPS School we are committed to creating a caring and safe atmosphere which promotes emotional, social and academic development by Play based learning. The integrated curriculum we follow promotes learning through music, art, dance, drama, activities, field trips and outdoor play. We aim at nurturing our students into fine human beings by imparting quality education and inculcate human values.

As the Headmistress, I wish to promote harmony, dedication and a win-win scenario for everyone in the school. We need to have a dedicated team aiming high. Teaching and learning are the core activities of a school. We should make the best use of every minute of the precious instruction-time on enhancing students' learning. If we have great teachers in our classrooms, we do not have to worry about the students. The students' welfare is our primary responsibility. The school policies will be refined to streamline the curricular and co-curricular activities.

May the glorious flag of DWPS keep flying high in the sky!

-Shri Sarvil Singh,

CAREER COUNSELLING SESSION

At Delhi World Public School Orai, we firmly believe that education goes beyond textbooks and examinations; it is about guiding students towards a meaningful and successful future. To support this vision, the school conducts well-structured career counselling and career awareness sessions aimed at helping students identify their interests, strengths, and aspirations at an early stage. Renowned professionals from diverse fields such as medicine, dentistry, gynecology, engineering, chartered accountancy, armed forces, defence services, business and entrepreneurship, and the fashion industry are regularly invited to interact with students. These experts share real-world experiences, career pathways, academic requirements, challenges, and opportunities related to their professions, offering students authentic insights beyond theoretical knowledge.

Special sessions with officers from the Army and defence forces inspire discipline, leadership, and a spirit of service, while interactions with doctors and engineers highlight the importance of dedication and scientific temperament. Professionals from the business and fashion industries encourage creativity, innovation, and entrepreneurial thinking, helping students understand emerging career options. Through these interactive sessions, workshops, and open discussions, students are empowered to explore different academic streams, make informed subject choices, and set realistic career goals aligned with their abilities. Our comprehensive career guidance programme nurtures confidence, clarity, and decision-making skills, ensuring that every student is well prepared to face future academic and professional challenges. At Delhi World Public School Orai, we are committed to shaping not just scholars, but well-informed individuals ready to excel in their chosen careers.

At Delhi Public School, students receive structured career counselling and guidance through interactive sessions with professionals from fields such as medicine, engineering, defence services, chartered accountancy, business, and the fashion industry. These sessions help students explore different career options, understand academic pathways, and identify their strengths. Vrikshit Foundation

Plantation Drive

Our school proudly organized a plantation drive in collaboration with the Vrikshit Foundation, aiming to spread awareness about environmental conservation and sustainable living. The initiative was conducted with great enthusiasm and active participation from students, teachers, and staff members. The primary objective of this drive was to instill a sense of responsibility among students towards nature and to emphasize the importance of trees in maintaining ecological balance.

The plantation drive was carried out across multiple locations, including the school campus, school hostel premises, and the nearby surrounding areas. Students enthusiastically planted a variety of saplings such as neem, peepal, and flowering plants. They were guided by members of the Vrikshit Foundation, who explained the significance of each plant and the proper methods of planting and nurturing saplings. This hands-on experience helped students connect classroom learning with real-life environmental action.

In the hostel area, special attention was given to planting trees that could provide shade and improve air quality. Students residing in the hostel were encouraged to take responsibility for watering and caring for the plants regularly. The drive in the nearby areas helped strengthen the school's bond with the local community, spreading the message of environmental protection beyond the campus.

Teachers actively supervised the event and motivated students to participate wholeheartedly. The plantation drive concluded with a pledge by students to protect trees and contribute towards a greener and healthier future. This initiative not only beautified our surroundings but also left a lasting impact on students, inspiring them to become environmentally conscious citizens.

Mr. Shashi Kumar Tiwari
Vice Principal

Education is the bedrock upon which aspirations are conceived and destinies are shaped. It is a transformative force that transcends textbooks, fostering intellectual curiosity, moral integrity, and creative expression.

Education, in its truest essence, is not confined to academic attainment alone; it is a holistic journey of value inculcation, dream actualization, and the nurturing of resilient, enlightened individuals. As Vice Principal, I feel an immense sense of pride in witnessing the exemplary progress of our students—not only in scholastic pursuits but also in co-curricular excellence and character formation.

Our institution has consistently scaled new heights of academic distinction. For the past three consecutive years, our school has proudly produced District Toppers in the CBSE Board Examinations at both the Secondary (Grade X) and Senior Secondary (Grade XII) levels, underscoring our unwavering commitment to excellence. Moreover, in the 2025–26 academic session, our students secured four commendable selections in JEE (Main) and two notable selections in NEET, a resounding affirmation of our rigorous academic ecosystem and focused mentorship.

The cornerstone of these achievements lies in our erudite and dedicated faculty, whose pedagogical expertise seamlessly integrates the CBSE curriculum with the advanced conceptual demands of JEE and NEET preparation. Their unwavering commitment, scholarly competence, and student-centric approach empower learners to excel in both board examinations and highly competitive national assessments.

As we celebrate these milestones, I extend my heartfelt appreciation to our teachers, parents, and students for their steadfast dedication and collaborative spirit. Let us continue to illuminate young minds, uphold a culture of academic rigor, and inspire our learners to pursue excellence with integrity, perseverance, and purpose.
